## MATERIAL HANDLING

### HEAVY-DUTY SOLUTIONS FOR MATERIAL HANDLING, E-COMMERCE AND WAREHOUSE EQUIPMENT

The R.W. Rogers Company strives to offer high quality and functional products.

Our extensive product line will solve all transport needs as well as order picking requirements. Custom design, development and manufacturing is also available with our innovative engineers.

# FLATBEDS & STOCK CARTS

The R.W. Rogers Company offers a wide variety of material handling solutions, highlighted by our tough structural foam decks. The high quality material and molding process produce a product that is manufactured with heavy loads and minimal maintenance in mind. To complement our plastic deck products, we also offer steel stock carts, hand trucks, pallet jacks and more.
