**Durable.
Cost-effective.
Efficient.**

E-Commerce Pick Cart
Made of heavy duty steel with powder-coated finish, this cart features easily adjustable shelves which hold up to 9 totes. Poly wheels allow for easy maneuvering within tight spaces.

MODEL # 02-EC-2472

Mobile Pick Cart
Quick to set up and tear down, this cart features heavy duty injection-molded plastic adjustable shelves that make for easy and ergonomic stocking. Available in gray with blue shelves, black e-coat with black shelves or gray e-coat with blue shelves. *Style shown can ship in 2-3 business days.*

MODEL # PRE-859-115

Multi-Purpose Pick Cart
This cart is ideal for order picking into large paper bags or universal totes. The 6-wheel design allows for easy maneuverability. Utility bin, bag storage bin and universal peg wall for mounting accessories included.

MODEL #02-RPC-5022

Tote Pick Cart*
This multi-shelf pick cart can hold up to 8 totes and is constructed with heavy duty steel. Optional corner bumpers can be added.

MODEL # 02-TSG-PC2537

Ergonomic Pick Cart*
The ergonomic upright handles and center pivot caster makes this cart a fan favorite. Holds up to 6 totes, utility bin and T-shirt bag rack holder included.

MODEL # 02-H1GN-PC2538

*Totes available upon request.
